

British Car Club of Hawaii Membership Application

The BCCH was formed to bring together people who share a common interest in British cars. Our club is dedicated to the preservation of our British cars, including the heritage, tradition, history and driving experience that ownership of these cars has provides us.

Whether you are renewing your membership or are new to the BCCH, I think you will agree, that club membership is a great deal. The membership fee is a very small price to pay for all benefits of membership, including all the club meetings and social functions, BCCH web site, tech sessions and special events. And, our club is also host of Honolulu's "All British Car Day".

The yearly membership rates are: Family Membership \$25; Individual Membership \$20.

To join or renew your membership, please complete the BCCH Membership Application Form below (renewing members only need complete name and any changes), include your check made payable to "British Car Club of Hawaii", and mail to:

Dave Luengen
